ABOUT DAN FITZGERALD

Dan Fitzgerald, the foundation of Gonzaga University basketball, was considered one of the nation's premier teachers of the game.

His style and personality are embodied in every detail of this camp, which has become the meeting place for the best high school players in the area to be seen, drilled and possibly selected for summer traveling teams.

If you're an outstanding high school player, take your game to the next level with the Fitz Signature High School Boys Clinic.

*Dan Fitzgerald, a friend to us all, and the founder of our AAU clinics in 1998, passed away on January 19, 2010. His positive impact on our community is significant. We miss you Fitz.
